Important Information

I understand that the Certificate of Coverage or Summary Plan Description, and other documents, notices and communications regarding the coverage indicated on this application may be transmitted electronically to me and to the Group's employees.

I represent that, to the best of my knowledge, the information I have provided in this application – including information regarding qualified beneficiaries and dependents who have elected continuation under COBRA or state continuation laws – is accurate and truthful. I understand that UnitedHealthcare and Affiliates will rely on the information I provide in determining eligibility for coverage, setting premium rates, and other purposes, and that any misrepresentation or fraudulent statement may result in rescission of the group policy, termination of coverage, increase in premiums retroactive to the policy date, or other consequences as permitted by law.

Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.

UnitedHealthcare disclosure regarding producer compensation: We pay brokers and agents (referred to collectively as "producers") compensation for their services in connection with the sale of our insured products, in compliance with applicable law. We pay "base commissions" based on factors such as product type, amount of premium, group size and number of employees. These commissions are reflected in the premium rate. In addition, we may pay bonuses pursuant to bonus programs established from time to time which are designed to encourage the introduction of new products and provide incentives to achieve production targets, persistency levels, growth goals or other objectives. Bonuses are not reflected in the premium rate but are paid from our general administrative expenses. In general, our total bonuses are less than 10% of total producer compensation paid. It is our policy not to pay commissions to producers with respect to a product for which the customer is also paying the producer a commission or other fee. Please note we also make payments from time to time to producers for services other than those relating to the sale of policies (for example, compensation for services as a general agent or as a consultant).

Producer compensation is subject to disclosure on Schedule A of the ERISA Form 5500 for customers governed by ERISA. We provide Schedule A reports to our customers. We also have taken steps to ensure that producers properly disclose their compensation arrangements to their customers, but we cannot guarantee the producer's compliance. For general information on our producer payment arrangements, including the approximate percentage of total compensation that total bonus payments comprise, please go to <http://www.uhc.com> and click on the drop down box for employers under "View Our Programs – Producer Payment Programs." For specific information about the compensation payable with respect to your particular policy, please contact your producer.

STATEMENT OF UNDERSTANDING

As a participant of Scheduled Direct Debit, I agree to and/or understand all of the following on behalf of my group:
